Forecast For East of England
Issued by Met Office Exeter
at 1600 on Saturday 01 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Another cold night. Sunshine and further showers on Sunday.

This Evening and Tonight:
Showers will gradually die away during the evening to leave a dry night with light winds and largely clear skies. It will be cold though, with a frost developing inland for many. Minimum temperature -2 deg C (28 deg F).

Sunday:
Sunny spells and showers continuing on Sunday, occasionally heavy during the afternoon. Showers easing into the evening. Milder overnight as cloud builds from the west. Maximum temperature 14 deg C (57 deg F).

Outlook for Monday to Wednesday:
Dry start then becoming increasingly wet and windy on Monday, with coastal gales. Blustery showers on Tuesday, slowly brightening up. Cold start then further showers on Wednesday, occasionally heavy.
